

# Club SciKidz Summer Camps Camper Welcome Packet

The Camper Welcome Packet is published seasonally to help parents and campers prepare for a terrific experience at **Club SciKidz** Summer Camps!

## Camper Registration

We gather as many facts as we can during the camp registration process, however, additional information may need to be communicated to us! Please convey the information in written form, mailed to:

**Club SciKidz**  
106B Hartwood Dr.   
Woodstock, GA 30189

## Camp Structure

When you pick up your activity schedule on the morning of the first day of camp, you will notice some changes.

- If your 4 or 5 year old is signed up for the 1/2 day program, they will be engaged in three science sessions in the morning.
- Our outdoor component has been moved to the afternoon and is 40 minutes long.
- Parents will have an opportunity to meet their camper's counselor.

Our goal is to strike a balance between academic, social, and recreational pursuits.

## What to Send to Camp

Snacks, lunch, and drinks for each day.  
Small water bottle for hydrating during outdoor activities.

Hat and sunscreen.  
(Don't forget the sunscreen waiver.)

## What <sup>not</sup> to Send

**NO CELL PHONES**, iPods, Game Boys, jewelry, cash or other valuables.

**Club SciKidz** will not be responsible for items that are lost or stolen.

## Preferred Camp Apparel

Please dress your camper in comfortable clothing (shorts are best!) and sneakers. Campers will receive a complimentary **Club SciKidz** t-shirt on the first morning of camp - the t-shirt is to be worn each day! We feel that wearing the t-shirt will give campers a sense of belonging and will help them relate to each other. Additional t-shirts may be ordered for \$12 each.

Just the Facts!

## Club SciKidz Summer Camps *Camper Welcome Packet*

### It's all about your camper's **Health and Safety**

In order for our Camp Directors to administer medication to your camper at any time during camp, you and your camper's physician **MUST** complete the "Authorization of Medication" form.

**Medication must be sent to camp in its original bottle.** The medical authorization form, along with several other forms, can be downloaded from our website.

**If your camper is ill and will not be attending camp, please notify the Club SciKidz main office.**

**Please do NOT send your camper to camp if he/she is not feeling well.**

**If your camper becomes ill during camp, we will use the emergency contact numbers you have provided.**

Anytime you are visiting the camp, please have your **camper's ID number** and enter the main entrance of the building.

Remember that parents are NOT permitted beyond the registration table. You will be issued a name tag if you attend a Friday event day.

**Campers must bring their own lunch, drinks, and snacks each day.** Please do NOT send items that must be heated in the microwave oven. Also, we do NOT have refrigeration at most locations, so a cold pack included in the lunch box is a good idea.

**Due to food allergy concerns, please refrain from packing peanut butter or other nut products.**

*Your camper has some exciting times ahead, as they anticipate a week of unique hands-on/minds-on inquiry based projects and experiments.*
